GENERAL DIMENSIONS	
UNIT	DESCRIPTION
mm	Overall length
mm	Overall width
mm	Overall height
mm	Overall depth
mm	Overall area
mm	Overall volume
mm	Overall weight
mm	Overall mass
mm	Overall force
mm	Overall energy
mm	Overall power
mm	Overall pressure
mm	Overall temperature
mm	Overall humidity
mm	Overall sound
mm	Overall vibration
mm	Overall radiation
mm	Overall magnetic field
mm	Overall electric field
mm	Overall magnetic flux
mm	Overall electric flux
mm	Overall magnetic field strength
mm	Overall electric field strength
mm	Overall magnetic flux density
mm	Overall electric flux density
mm	Overall magnetic field intensity
mm	Overall electric field intensity
mm	Overall magnetic flux intensity
mm	Overall electric flux intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
mm	Overall magnetic flux strength intensity
mm	Overall electric flux strength intensity
mm	Overall magnetic field strength intensity
mm	Overall electric field strength intensity
